Profile

A passionate and dedicated tech enthusiast with hands-on experience in React Native, C, C++, SQL, and app development. Recently completed the 8th semester at SRM Institute of Science and Technology with a solid foundation in computer science. Eager to solve real-world problems through data-driven and scalable solutions, while continuously learning and contributing to impactful, collaborative projects.

Education

2021/09 – 2025/06 Chennai, India	B.TECH/ IT CGPA: 9.21 SRM Institute of Science and Technology
2019/03 – 2020/06 Guwahati, India	Class XII : 68.80% Noonmati Public School
2017/04 – 2018/05 Guwahati, India	Class X: 88.86% Don Bosco Sr. Secondary School

Skills

Technical Skills

C, C++, DBMS, SQL, OOPS,
HTML, CSS, React Native

Soft Skills

Coordinating, Leadership, Time Management,
Communication, Team Management

Projects

2024/06 – 2024/08	Guess the Number: using React Native A React Native game app featuring number guessing, input validation (1–99), error handling, and optional binary search logic for intelligent guesses.
2024/12 – 2025/01	Ask Sure! : using cursor.ai & NLP cloud A desktop app using cursor.ai and NLP Cloud to deliver accurate answers for physics questions, collaborating on API integration and project flow design.
2025/01 – 2025/05	Amica AI : using React Native A multi-screen chatbot app in React Native with user authentication and real-time AI interactions, offering a conversational UI for a digital friend experience.
2025/01 – 2025/05	Predicting Market Share Patterns using LSTM An LSTM-based market share forecasting app using TypeScript, Tailwind CSS, and Python to generate accurate, insight-driven time-series predictions.

Certification

2022/04	C and C++ SRM Axis Intellects
2025/05	The complete SQL bootcamp Udemy
2025/04	5th International Conference Paper Presentation at Suguna College of Engineering Project: Predicting Market Share Patterns using LSTM

Activities

2022/04 Chennai, India	National Service Scheme : NSS club at SRM Student Volunteer
2024/03 Chennai, India	Chennai Police Cyber Hackathon at SRM Technical Volunteer
